My mommy has brown hair and green eyes. She is tall. She looks good.

My mommy eats yogurt, muffins, strawberries, pineapple and toaster waffles. She drinks milk, coffee and milkshakes we make. Her favorite dessert is banana ice cream. Her favorite snack is yogurt.

My mommy has strong muscles because she exercises. She exercises at home. She goes to the gym too.

My mommy gets money from the money store. She needs money for waffles and food and cereal.

I like to do the computer with my mommy. I like to play "Freeze Tag" with her at the playground. I like to play "Hide and Seek" with her at my house. I like to go to Target with mommy. We buy toys. I like to go to Toys R Us with my mommy. Sometimes we go to the diner. I eat pancakes. Mommy eats a burger.

I clean up the toys. Mommy cleans with me. She puts the dishes in the sink. Then we can wash them. Mommy puts the clothes on me. She puts them in the laundry and they get washed. Mommy cooks Fruit Loops and pizza and eggs.

My mommy watches aliens with me on TV. We watch Star Wars and movies too.

At night time I put my jimmies on. Mommy helps me just a little. She says "Good Night". I say, "I love you".

My mommy is a good mommy because she is happy.

I love my mommy and she loves me. My mommy knows that I love her because I say "I love you". I say it when I go to bed. I know that my mommy loves me because she says "Thank you" when I clean up the toys.
